

To Health care professionals working with epilepsy  
and copy to Department head.

Welcome to a Nordic Webinar (in English)  
from Angelini Pharma Nordics

# Advances in SUDEP: Incidence, risk factors and prevention

**Dr. Torbjörn Tomson,**  
Department of Clinical Neuroscience,  
Karolinska Institutet, Stockholm, Sweden

**20<sup>th</sup> of October 2022**

**12:00-13:00** and **15:30-16:30**

## Dr Torbjörn Tomson

Dr Tomson is a Senior Professor of Neurology and Epileptology at the Karolinska Institute, Stockholm, Sweden, and is also a Senior Consultant for the Department of Neurology at the Karolinska University Hospital. He has served as the Treasurer of the International League Against Epilepsy (ILAE) Commission on Education and is presently Chairman of the Commission on the Burden of Epilepsy. Dr Tomson is also the Vice President of the Swedish chapter of ILAE and a member of the editorial board of *Epilepsia*. In the last decade, his research has predominantly focused on pregnancy outcomes in women with epilepsy and mortality in epilepsy, particularly sudden unexpected death in epilepsy (SUDEP).
